

Ref. No: RC/01

Date: 12.06.2024

Criterion 4 - Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1 The Institution has adequate infrastructure and other facilities for,

- teaching – learning, viz., classrooms, laboratories, computing equipment etc
- ICT – enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activities, yoga Centre, games (indoor and outdoor), Gymnasium, auditorium etc. (Describe the adequacy of facilities in maximum of 500 words.)

Response:

The college has two separate buildings i.e. AJC Bose Bhawan (Administrative Building) and Swami Vivekananda Bhawan (Academic Building) and **32** classrooms for catering to the needs of students across 16 UG courses. Most of the rooms are endowed with fixed projectors for ICT enabled teaching learning practices. There are also endowed with portable projectors which are regularly used for conducting classes in different classrooms of both buildings. The Departments of Physics, Microbiology, Food & Nutrition, Chemistry, Zoology, Botany, Mathematics and Geography have their own laboratories with equipment and elaborate specimen collections.

- The Department of Physics has **1 Optical Lab, 1 Electrical & Electronics Lab, 1 Thermal Lab and 1 General Lab.**
- The Department of Geography has 3 laboratories. **1 Computer/Software Training Geoinformatics Laboratories** for working on software like **Quantum- Geographic Information System, 1 Soil-Analysis/Pedological Study-lab, 1 Map (Topographical Map/ Aerial Photo/ Satellite Imageries) Laboratory and 1 Open Field Instrument-training laboratory (Prismatic Compass Transit Theodolite, Dumpy level, Auto-level etc.).**
- The Central Computer Laboratory has a setup of **22 desktops, a laptop and various modern software with an LCD Projector for open class.**
- The college has a **Learning Management System (LMS) and Language Lab - Orell Talk Smart Version (Perpetual License) for 1 Teacher and 20 Student Consoles (Includes additional consoles) Up to 500.**
- The college has **1 heavy duty diesel & 1 green generator set, 20KV Solar Panel** and a dedicated transformer for uninterrupted teaching learning procedures.
- The college runs a fully-functional girls' hostel located nearby the college premises.
- College has a centralized wi-fi system (constantly being upgraded) not only to help out with administrative works, but also to help students as well.
- College has a fully-functional, largely automated and well-stocked central library.

Facilities for Cultural and sports activities, yoga Centre, games (indoor and outdoor), Gymnasium, auditorium etc.

- The institution has a newly developed Student Activity Centre for physical exercise, yoga and other related activities. Training equipment are also available. Yoga training is also regularly conducted with external trainers.

- Furthermore, the college regularly hosts various cultural programmes to mark the occasion of Teachers' Day on 5th September. During the pandemic, the departments have also sought to encourage the cultural activities of the students by hosting different programmes online. Some departments, such as the Department of Geography, Education etc, have even started their departmental websites to showcase their performances and success of the students.
- The college also regularly organizes annual sports for students and staff at college ground.
- The departments also regularly host wall magazines featuring the contributions of the students on diverse areas of interest.
- Apart from these, the Students' Union also hosts Freshers' Welcome and other cultural activities which are generally held at College Campus.
- There is a calendar of extracurricular activities which the College uses to coordinate different cultural events
- Keeping health and hygiene as the topmost priority, the college washrooms have been renovated and there are disabled-friendly washrooms maintained by housekeeping staff
- The college has functional gymnasium (**20ft X 25ft**) located at the ground floor of Swami Vivekananda Bhawan includes the following- **Leg press, Chin-up, Butterfly, Sit-up bench, Biceps curl, Wrist curl, Shoulder press cum chest press, Shoulder press weight loaded, Bench press, Hip twisting.**

Keeping in view the financial realities of the local communities as they've had to deal with constant climatic depredations over the years, our institution has always been particularly lenient in asking for fees from students- to considerable detriment of our infrastructural capabilities that constantly require refurbishment. Despite a pronounced absence of much-needed funds from sources like MHRD, the college has expanded itself incrementally, in little, painful strides and we're resolved to offer our students the best of what we can manage, notwithstanding all practical limitations:

1. The college has two separate buildings i.e. AJC Bose Bhawan (Administrative Building) and Swami Vivekananda Bhawan (Academic Building)
2. The college has **32** fully-functional classrooms.
3. The college runs a fully-functional girls' hostel located nearby the college premises.
4. The college has an open ground for outdoor sports & college programmes.
5. There is also a big tank beside the college ground which is utilized as the big source of the sweet water to nearby tribal communities.
6. All departments have individual and specified departmental cubicles.
7. The science departments (Mathematics, Food & Nutrition, Microbiology and Physics) and Geography departments have separate classroom spaces and well-equipped laboratories.
8. The College has two air-conditioned seminar halls (Smart Room & Gallery) equipped with modern sound and projection systems.
9. The college has two sprawling rooms at ground floor which is used for larger classes and cultural programmes and academic or administrative seminars and talks in Swami Vivekananda Bhawan and one S. R. Basu Memorial Hall at AJC Bose Bhawan.
10. The college has a dedicated common room for both boys and girls.
11. The college has a canteen with separate seating-arrangement for the students and the faculty.
12. Most of the departments and offices are Wi-fi enabled.
13. **College has a centralized wi-fi system (constantly being upgraded) not only to help out with administrative works, but also to help students as well.**
14. College has a fully-functional, largely automated and well-stocked central library.
15. College in assistance with the State Govt has installed rooftop solar panels at AJC Bose Bhawan, meant to make our carbon footprint considerably lower.
16. College has installed sanitary napkin vending device and destroying machines as that would be of tremendous value to more than 50% of our students.
17. College has got a number of waste-collecting bins (along with e-waste), strategically placed across the college premises.
18. College has **83** fully-functional and networked terminals for administrative and class-related activities.
19. College has installed a number of heavy-duty water filter-dispensers and chillers in the college.
20. The College has a heavy-duty Green Generator as the secondary source of uninterrupted power supply.

21. The College authority is on its way to replace the age-old lighting system with LED lighting systems. At present almost 90% of the replacement is complete.
22. College is constantly under CCTV surveillance and the administrative head can access the live feed at any time he wants.
23. College is in the process of installing a number of Wi-Fi-enabled projectors in different classrooms across various departments, making all of them smart, ICT-capable classrooms, effectively.
24. Toilet-cleaning, premises-cleaning and regular dusting of the desks and chairs and classrooms are ensured. An inventory of furniture and associates' items is maintained, ensuring that all students have access to all the resources the institution has at its disposal.
25. The College plays the pioneer role in the district by constructing a big Basketball Court measuring 21m x 18m surrounded by the green zone.
26. The College has a green lawn to have fresh breathing
27. The College has developed a medicinal plant garden
28. The College has a separate cycle Stand dedicated for the students.
29. The college is now going to construct an annex building to mitigate the excessive demand of additional classrooms.
30. The college is planning to adopt an open area from the forest department to develop a mini forest with the mangrove species of our Sundarbans.
31. The college has a separate setup for mushroom culture under the supervision of Microbiology and Botany Department.
32. Our college has planned to promote pisciculture in its own pond measuring the area approx 100m x 50m
33. The Department of Geography has a society (The Geographical Society of Sundarbans) to promote the interest in research and studies in Sundarbans.
34. The Department of History has established a center i.e. The Centre for Sundarban Research and Museum for promoting the research on Sundarbans.
35. The college has a museum at the ground floor of the administrative building to preserve the local objects.
36. College has a centralized & well-equipped computer laboratory with **22** terminals for both the students and teachers.
37. The Department of Geography has a well-equipped Geoinformatics Lab with **16** terminals for both the students and teachers of the department..
38. The college has set a separate setup for the IQAC with 1 terminal & Projector.
39. Vital Statistics Lab and Lab for Diet Chart Preparation (Food & Nutrition)
40. The college has also a separate Examination Cell to coordinate both the internal and university examinations independently.

The institution believes in effective administration which renders it possible that a structured system is in place to ensure proper maintenance of infrastructural, academic and support facilities. The administration strives to ensure that all equipment in the college is functional, and if not, proper steps are taken either to repair items or systems which are malfunctioning or have them replaced entirely, funds permitting.

The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga center etc.

Response:

The college has a separate Department of Physical Education and the department has made the college extremely proud as our students have not only participated and won inter-college football championships and played in the university levels; our students have also had success in different sports like kho-kho, Kabadi and different athletic events in the state, even in national levels. We also run the two NSS units to adopt regular and special programmes and our institution takes full advantage of its rural location in this regard.

1. There are two sprawling playgrounds besides the college premises. The College prides itself on its sprawling, green big football playground (**250ft X 150ft**) area which is spacious enough to hold not

only athletics events, shot put and discus throw, but also football, and cricket matches. There is another playground within the campus (187ft X 100ft) dedicated for playing Basketball.

2. Boys' and Girls' common rooms are equipped with necessary accessories for playing indoor games like carrom boards and the college is also in the process of procuring Table Tennis apparatus.
3. The bigger rooms of the college are made to double up as auditoriums as well.
4. The college infrastructure is used by the local and district administration for different administrative and awareness-generation purposes.
5. The college in its entirety along with its infrastructure and premises is used by the Election Commission of India for the better part of a month during different elections.
6. The garden, lawn and greenery are maintained by an experienced caretaker who works under the supervision of concerned non-teaching official. Necessary financial expenditure incurred in the maintenance of the lawn and garden and play area is duly calculated and remitted by the concerned Officer.
7. The college has a yoga training facility (20 ft X 10 ft) and we are proud to announce that our students have had no less than state, even national level recognition.
8. The college infrastructure is also used to host NSS related activities.
9. The college arranges regular cultural programmes including observations of significant days like the Bhasha Divas, Republic and Independence Day, Swachh Bharat and so on, Freshers' Welcome and Seasonal celebrations- all of which are calculated to tap into the enormous extra-curricular potential of our own students. Both the college premises and existing classrooms/gallery are used for these purposes. Even during the COVID Pandemic, the college has never ceased its extracurricular activities and programmes. We have either done It online, or by maintaining justifiable COVID protocols.

The following documents are being attached as supporting documents-

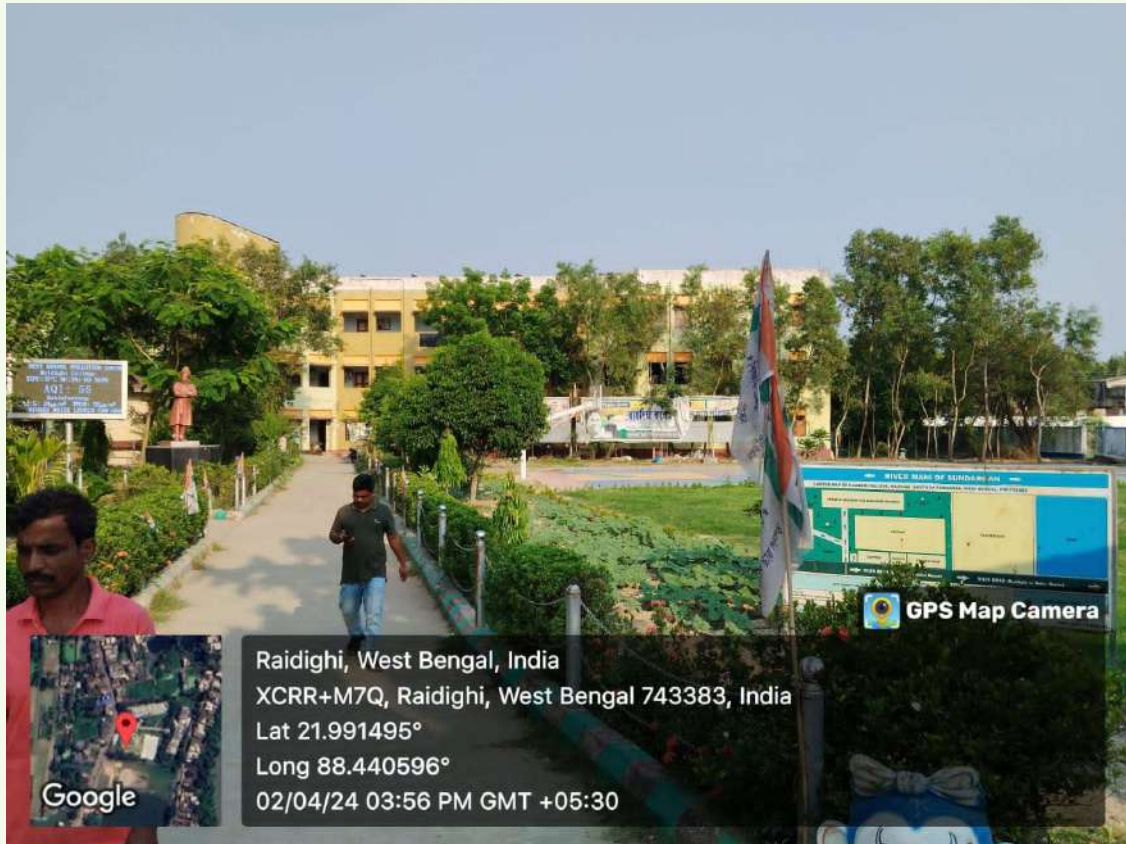

1. **Photographs of Buildings of Raidighi College**
2. **Photographs of Classrooms**
3. **Photographs of Laboratories**
4. **Photographs of ICT-enabled classrooms**
5. **Photographs of cultural activities**
6. **All Wall magazines, Magazines and E-magazines**
7. **Photographs of the Raidighi College Museum**
