6. **Outcomes:** Under the MOU there was three faculty exchange programme where two faculties of each addressed college Spl. lecture in the corresponding college. In such an academic initiatives students had got an interactive opportunity with the selected faculties of the corresponding college. In the session it was observed that participating students were very enthused and attentive in all the academic session. It was also followed that students got an opportunity to enrich academic diversity. Here faculties too find a scope to strengthen intercultural intellectual competence. It can also be firmly believed that all these academic exchange practices are very useful to create a healthy bonding among the students and faculties of both the colleges.
